

Envipco joins the Euronext Tech Leaders

Amersfoort, 11 June 2024 – Envipco Holding N.V. (“Envipco” or “the Company”), a leading global provider of recycling systems and Reverse Vending Machine (RVM) technology, announces its inclusion in the Euronext Tech Leaders segment, as part of the initiative dedicated to fostering high-growth and leading technology companies. The inclusion in the Euronext Tech Leaders segment was officially announced today on the annual rebalancing of the index as published by Euronext.

Launched in June 2022, the Euronext Tech Leaders initiative is supported by a strong network of partners and aims to recognize and support top-tier tech companies listed on Euronext markets. It features a segment of 120 European companies, an index, and a comprehensive suite of services designed to support participants throughout their listing journey.

Mikael Clement, Chief Strategy & IR Officer of Envipco, said: “Envipco is proud to have been selected to join the Euronext Tech Leaders initiative, a select group of leading technology companies listed on Euronext. The selection acknowledges Envipco’s technological leadership and the strong positioning and growth the company has delivered in recent years. With the target market potentially tripling next 5-10 years backed by EU and UK legislation, we stand firmly committed to continue to help societies build a greener and cleaner future through our leading technology and services offering. “

Envipco looks forward to leveraging the resources and network provided by the Euronext Tech Leaders initiative to drive further growth and innovation in the tech sector.
