### About Envipco Holding N.V.

Envipco Holding N.V. (Envipco), [www.envipco.com](http://www.envipco.com), is a Netherlands-based holding company listed on NYSE Euronext Brussels (new Symbol ENVI). Envipco, with operations in several countries around the globe, is a recognised leader in the development and operation of reverse vending machines (RVMs), automated technological systems for the recovery of used beverage containers. Envipco's turnkey solutions cover all aspects of beverage container recycling - from recovery, validation, compaction, sorting, transportation and logistics, to accounting for every container, to recycling and processing used beverage containers to prepare for conversion into new containers and consumer products. Known for its innovative technology and market leadership, Envipco holds several intellectual property rights for RVM systems, including but not limited to beverage refund deposit markings, material type identification, compaction and accounting. It also owns and operates the largest independent bottle-to-bottle PET recycling plant in Europe.
