

ENVIPCO announces change in shareholding

Envipco Holding N.V., a public-listed company on the NYSE Euronext Brussels “ENVI” and a global provider of recycling systems and solutions to the beverage and retail industries, announces changes in its shareholdings.

Alexandre Bouri has agreed to sell 600,000 of his shares in Envipco Holding N.V. (representing 22.12 % of the total issued shares) to GD Env LLC, a company beneficially owned by Douglas Poling at an undisclosed price. After this transaction Mr Bouri ownership is reduced to 44.55%. Mr Bouri shall retain voting rights on these shares sold to GD Env LLC until 8 January 2013, by which time Mr Bouri has the right to buy back those shares.

GD Env LLC ownership in Envipco Holding N.V. shall increase from 4.42% to 26.54% of the total issued shares.

ABOUT ENVIPCO HOLDING N.V.

Envipco Holding N.V. (Envipco), www.envipco.com, is a Netherlands-based holding company listed on NYSE Euronext Brussels “ENVI”. Envipco, with operations in several countries around the globe, is a recognized leader in the development and operation of reverse vending machines (RVMs), automated technological systems for the recovery of used beverage containers. Envipco’s turnkey solutions cover all aspects of beverage container recycling - from recovery, validation, compaction, sorting, transportation and logistics, to accounting for every container, to recycling and processing used beverage containers to prepare for conversion into new containers and consumer products. Known for its innovative technology and market leadership, Envipco holds several intellectual property rights for RVM systems, including but not limited to beverage refund deposit markings, material type identification, compaction and accounting. It also owns and operates the largest independent bottle to bottle PET recycling plant in Europe.
